Cut two from interfacing

RING THREE
OUTER GUSSET
Cut one from fabric

The diagram shows a rectangular pattern for the Ring Three Outer Gusset. It features a dashed vertical line on the left side with arrows pointing inward, indicating a fold. The top edge has a downward-pointing triangle, and the bottom edge has an upward-pointing triangle.

RING FOUR
OUTER GUSSET
Cut one from fabric

The diagram shows a rectangular pattern for the Ring Four Outer Gusset. It features a dashed vertical line on the left side with arrows pointing inward, indicating a fold. The top edge has a downward-pointing triangle, and the bottom edge has an upward-pointing triangle.

RING FIVE
OUTER GUSSET
Cut one from fabric

The diagram shows a rectangular pattern for the Ring Five Outer Gusset. It features a dashed vertical line on the left side with arrows pointing inward, indicating a fold. The top edge has a downward-pointing triangle, and the bottom edge has an upward-pointing triangle.
